FAQ

[Valid Pcmover Serial Number](#)

## Validating Without an Internet Connection

If this PC doesn't have an Internet connection, you can still validate your serial number.

1. On another PC with Internet access, go to:  
[www.laplink.com/validation](http://www.laplink.com/validation)
2. Select PCmover, and follow the instructions on the page. You will be prompted to enter the following information along with your serial number, registered user's name and e-mail.

Network Name:

Session Code:

3. Enter the validation code below and click OK.

Validation Code:

If an Internet connection is not available to you on any PC, please call Laplink Customer Service at +1-425-952-6001.
